

GNSS Professional Training in Indonesia for professionals, researchers/technicians from European Union Member States

Professionals, technicians and researchers who are citizen of one of the EU Member States can apply now to participate in the Professional Training in **Bandung (Indonesia) on 18-19 July 2019**

Who can apply: Citizens of one of the EU Member States who are professionals, technicians or researchers employed in public organizations or in private companies with working interests in the field of Global Navigations Satellite Systems.

Deadline for applications: 24th June 2019, 11:00 am CEST

Financial support: Successful applicants will be reimbursed (upon delivery of all receipts, boarding passes) the costs of accommodation in Bandung, local transportation tickets and of a round trip air ticket (economy) from the country of origin to Bandung. They will also receive a maximum per diem of 38,00 EUR (which will be subject to deduction) to cover living expenses. A total maximum amount of EUR 2500 (two thousand five hundred) will be allocated to each applicant.

Application documents: applicants must provide the following documents in English language:

- CV in Europass format (downloadable with instructions at <https://europass.cedefop.europa.eu/it/documents/curriculum-vitae/templates-instructions>)
- Copy of passport.
- Motivation letter including e-mail address where the applicant can be contacted.

Submission of documents: all the above-mentioned documents in PDF format should be submitted by e-mail to the following address: info@belsproject.eu

Selection criteria: Applications are selected against the following criteria:

- The applicant is a citizen of one of the European Union countries.
- The applicant must hold a M.Sc. or Ph.D. degree in science or engineering.
- Working experience of the applicant in EGNSS related activities.
- Motivation of the applicant to participate in the EGNSS Professional Training in Bandung.

Selection process: The selection process is managed by personnel of the BELS+ Consortium. Successful applicants will be notified by e-mail by **26th June 2019**. They will have to confirm the acceptance by **27th June 2018 11:30 am CEST** and immediately proceed with travel arrangements.

In case they do not confirm or they should withdraw, the unused resources will be allocated to other applicants who have already applied or will apply in the future.

When all successful applicants have confirmed their attendance, the unsuccessful ones will be notified by e-mail.

Inquiry and information: For any inquiry or information, please write to info@belsproject.eu
